# **Revenue Breakup – 9MFY25**

# **Quarterly Result analysis**

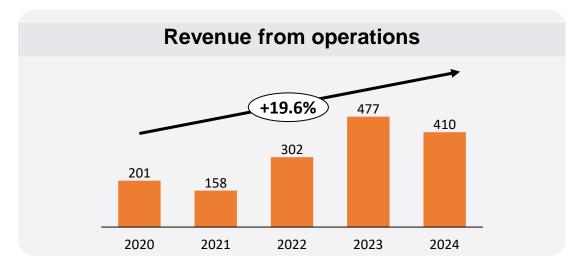

# **Key Highlights for Q3FY25**

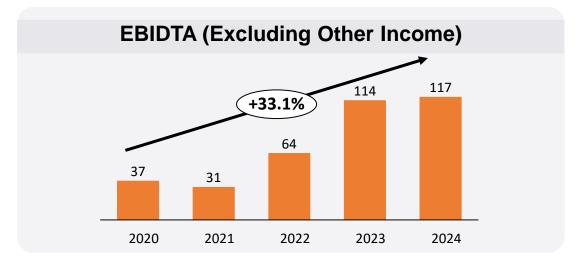

#### **Operational & Financial Performance**

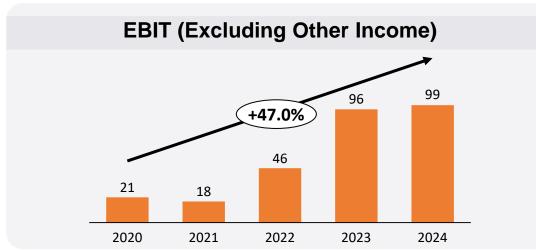

- In Q3FY25, Capacity Utilization increased to 50% compared to 40% in Q2FY25 to meet the growing demand.
- Domestic segment has shown improvement in growth of 21% YoY, contributing 43% to the overall revenue.
- The revenue from operations was at ₹ 101.8 crore, **recording a 34.1% growth** compared to Q2FY25.
- EBIDTA during the quarter was at ₹ 28.3 crore, a 44.7% growth compared to Q2FY25.
- Our EBITDA margin for the quarter was at 27.8%, well above our guided range of 21-22%.
- PAT during the quarter was at ₹ 19.2 crore, **a 44.5% growth** compared Q2FY25.
- We continue our efforts to foray into sectors such as Defence, GETs and Railways.

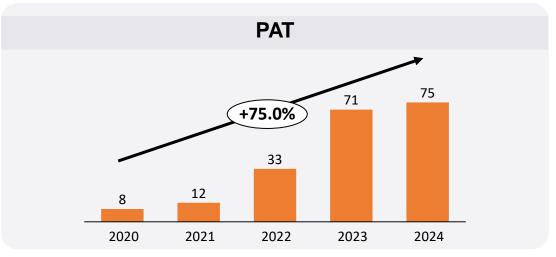

# **Five-Year CAGR Snapshot: Unveiling Business Growth Trends**

# Strong Business Model of Steelcast

# **Diversified Business Model catering to Varied OEMs in Different Industries...**

#### **Existing Segments**

# **Expanding our footprint to new segments**

## **Foray into New Segments**

## **Moats**

## **Moats of the company:**

**Cost Barrier** 

High margin due to cost plus model

Expertise spanning over decades

Debt Free

Entry barrier due to high replacement cost and Strong R&D and Technological Capabilities.

**Customer loyalty** 

Well Experienced Team & Balanced / professional BOD

Green Energy

Global Footprints - Expected to increase the presence in 18+ countries in the next 1-2 years

Locational Advantage

# **Hybrid and Solar Power Plants-Existing**

	Summary of Hybrid Power Plant										
Sr. No.	Offer	Hybrid Capacity MW	Estimated Generation in Cr Units/Yr	Landed Cost Rs/KWH at Consumer Bus	Current cost of power	Saving rate	Total Saving in Cr Rs/Year after fixed charges deduction				
1	Group Captive after revised tariff	4.5	2.286	4.22	8.50	4.28	9.78

# **Locational Advantage**

Situated in Bhavnagar, Gujarat, which is **a power surplus**state

STEELGAST

Castechnik

The major raw material (scrap) is available with high degree of purity and at competitive price from Bhavnagar & surroundings Rolling mills setup to use scrap from Alang. Asia's biggest Ship recycling yard, situated just 50 Kms away

Skilled manpower is easily available as per requirement

Connectivity to Pipavav Port, which is just 130 Kms away, is one of the most important locational advantages for the company

Company's own 66KV power transmission station with 10 MW power available 24\*7

Well connected with major cities of Gujarat and other places through Rail and Road network

Availability of Natural Gas by Gujarat Gas
Limited for all fuel requirements through
pipeline

Connected through water ways with Hazira, Surat, cutting down distance of 370 Kms to 60 Kms. Having regular Ro-Pax ferry services from Ghogha, Bhavnagar to Hazira, Surat

#### **Presence across the Globe**

"Two-Star Export House Status holder"

We have presence in 15 countries, and we expect to increase the same in

18+ countries

in the next 1 to 2 years

Disclaimer: Map not to scale. All data, information and maps are provided "as is" without warranty or any representation of accuracy, timeliness or completeness

# **Certifications & Recognitions**

An ISO: 9001-2015 Company certified by TUV NORD, Germany (for Quality Management).

An ISO:45001-2018
Company certified by TUV
NORD Germany (For
Occupational Health &
Safety Management
System)

An ISO:14001-2015 Company certified by TUV NORD, Germany (for Environmental Management).

An EN:9100:2018 D company certified by TUV NORD Germany (for supplying to Aero Space industries)

An NABL (National Accreditation Board for testing Laboratories) certified company for chemical and mechanical testing of parts for Defense application.

Certified by Transportation & Power Generation Equipment Program, USA for "Foundry, "Heat Treating" &"NDT Testing"

Supplier Excellence Recognition (SER)-Certified level certification by Caterpillar Inc. USA

Class A approved foundry by Ministry of Railways, India

R&D Laboratory approved by The Department of Science & Technology, Government of India.

Two-Star Export House Status holder

Authorized Economic Operator (AEO) Tier 1

Accreditation by Association of American Rail Road (AAR)

# Outlook & Rationalization Measures

# **Building Excellence: Key Pillars of Steelcast's Enduring Success**

Reliable quality supplier with long association with marquee customers

Seasoned and experienced management team and

Adequate capacity with ramp-up capabilities

Six decades robust experience of surviving and sustaining business cycles

China + 1 scenario helping steelcast to be a preferred supplier

skilled work force

Balanced portfolio of domestic & export customers

# **Strategy to Explore Potential Growth Opportunities**

Entry in New Geographies

Strengthening business relationship with the existing customers

Adding new sectors product development

Enhancing component basket through new product development

Provides ready to use/machined parts

#### **Short Term**

- Recovery from slow-down is witnessed from Q3 FY25
- Stable Commodity Prices at the current level
- Export demand expected to be at a higher level

#### **Long Term**

- Domestic demand to grow at a stable pace
- Exploring entry into replacement markets

#### **Safe Harbour**

This presentation has been prepared by and is the sole responsibility of **Steelcast Limited (the "Company")**. By accessing this presentation, you are agreeing to be bound by the trailing restrictions.

This presentation does not constitute or form part of any offer or invitation or inducement to sell or issue, or any solicitation of any offer or recommendation to purchase or subscribe for, any securities of the Company, nor shall it or any part of it or the fact of its distribution form the basis of, or be relied on in connection with, any contract or commitment thereof. In particular, this presentation is not intended to be a prospectus or offer document under the applicable laws of any jurisdiction, including India. No representation or warranty, express or implied, is made as to, and no reliance should be placed on, the fairness, accuracy, completeness or correctness of the information or opinions contained in this presentation. Such information and opinions are in all events not current after the date of this presentation. There is no obligation to update, modify or amend this communication or to otherwise notify the

recipient if the information, opinion, projection, forecast or estimate set forth herein, changes or subsequently becomes inaccurate.

Certain statements contained in this presentation that are not statements of historical fact constitute "forward-looking statements." You can generally identify forward-looking statements by terminology such as "aim", "anticipate", "believe", "continue", "could", "estimate", "expect", "intend", "may", "objective", "goal", "plan", "potential", "project", "pursue", "shall", "should", "will", "would", or other words or phrases of similar import. These forward-looking statements involve known and unknown risks, uncertainties, assumptions and other factors that may cause the Company's actual results, performance or achievements to be materially different from any future results, performance or achievements expressed or implied by such forward-looking statements or other projections. Important factors that could cause actual results, performance or achievements to differ materially include, among others: (a) our ability to successfully implement our strategy, (b) our growth and expansion plans, (c) changes in regulatory norms applicable to the Company, (d) technological changes, (e) investment income, (f) cash flow projections, and (g) other risks.

This presentation is for general information purposes only, without regard to any specific objectives, financial situations or informational needs of any particular person. The Company may alter, modify or otherwise change in any manner the content of this presentation, without obligation to notify any person of such change or changes.
